Cut-Off List

CEW&SA does not cut off for non-payment on a one-month billing. CEW&SA does cut off on a two-month billing. As long as the previous balance is paid by the due date on your billing statement, the account will not be scheduled for disconnection.

The first two digits of the account number listed on your billing statement will indicate which billing cycle you are in.

If you're unsure about your billing cycle, please check your monthly billing statement, call our office, or email us.
